Description

2616/3 10*Rake/Cleaver

This is a 2616/3 abc prop. One of the most popular cleaver props for the V-hulls is a 2614/3. If you been running a 2614 and getting plenty or rpm's out of it you might want to try going up a little in pitch to get more speed. This is a little more pitch than the 2614.
