Description

TFL-001 6" Rudder Assembly.

This assembly comes with a T-Mount transom bracket for more strength and all stainless Steel bolts. It comes with your choice of dual pick up or single pick up tapered rudder blade.

This rudder assembly is used on all of Mono style boats. 6.29" from transom to leading edge of Rudder.

These rudders dont bend or break as you will find in other rudders. These are the best out there by far
