Description

Hard Wire/Cable Cutter by Xuron is designed for cutting hardened wires, music wires, and wire cable.

FEATURES: Cutter has a rated capacity of up to 0.040" (1mm) diameter Full by-pass shear cutting action results in "pinch free" cuts and minimizes "unwrap" on twisted wire cable. Pronounced "whack" has a special configuration to it's cutting jaws and is selectively heat treated to ensure both low cutting effort and extended durability. Blue rubber grips for enhanced comfort Convenient return spring which opens the tool after each use

INCLUDES: One Wire/Cable Cutter

COMMENTS: May be used for a variety of hobby and craft applications: RC/aircraft cars, boats, railroading, detail modeling, jewelry making.
