#### Description

This is a Testors #2 Golden Synthetic Round Model Master Paint Brush. \_

**FEATURES:** Solid birch wood handle Seamless nickel-plated ferrule Hand-formed synthetic gold bristles are glued into the ferrule. For painting small assemblies. With a fine tip and large body for good distribution. For color application of small areas, blocking in on large details and application of pinpoint washes. Excellent all-round brush. Packaged in a bubble pack with peg board header card.

**INCLUDES:** One #2 Golden Synthetic Round Model Master Paint Brush \_

**COMMENTS:** Never trim the brush. Quality brushes have bristles which are naturally split on the ends. This allows the brush to carry and lay down the proper amount of paint. Trimming the ends will ruin the brush. s ir/jl
