Description

The Blackout XTE is equipped with a powerful brushed electric motor, with heat sink, and forward/reverse ESC. Ready to run out of the box, the Blackout XTE is eager to heat up the neighborhood. Complete with battery and charger, this monster truck has everything needed to get started.

Shaft driven 4WD provides you with the necessary traction to maneuver the toughest obstacles and the forward/reverse ESC is beneficial in navigating tight spots.

Lightweight plastic chassis, four oil filled adjustable coil over shocks, and independent suspension offer rock solid performance as the soft compound monster truck tires leave disaster in their path. Fear not! A 2.4GHz radio system and waterproof electronics ensure control, for those who dare to unleash the power of the Blackout!
