---

### Description

The Pro CA Glues are clog-resistant with extra-long applicator tips to easily reach into tight spots. Easy to squeeze bottles aid in applying just the right amount of glue-for easier sanding and less mess. All Great Planes CA glues have a satisfaction guarantee, best if used by date and are clear. Wicks quickly for instant bonds on tight-fitting parts, tacking and CA hinges. Not safe for foam. For foam applications use epoxy or foam-safe CA.
