Description

The Raz-R 2 is a 1/10 4WD Stadium truck that is the ideal for the entry-level user, but strong enough for a more advanced driver. It has a rugged construction which allows the truck to hold up to repeated abuse.

The Raz-R 2 comes with a 7-cell 1800mAh Ni-Mh battery pack and charger to power the truck which allows the end user to begin enjoying the

truck almost instantly. The Raz-R 2 includes a 60A waterproof ESC with reverse, and a large 550-sized brushed motor with an internal fan and cooling jacket. This combo makes an excellent value as an entry-level vehicle and is built tough enough not to disappoint.

Items needed to complete:

- 4 AA batteries

Features:

- 2.4GHz Radio System
- 60A Waterproof Brushed ESC
- Large oil-filled coil-over shocks.
- Oil-filled front and rear differentials for great performance.
- Reinforced chassis and upper deck bracing design
- Over-sized, strong, metal drive axles.

Specifications:

- Length - 18.0" including rear wing
- Width - 11.8"
- Height - 7.28" including rear wing
- Weight - 4.9 lbs.
- Wheelbase - 11.4"
- Tire diameter: 108*54mm(4.3in/2.1in)
