Description

This is the Savox SH-0262MG Super Speed Metal Gear Micro Digital Servo.

Features:

Over-spec refined design out performs ordinary micro size servo.

The metal case design looks awesome and allows for cooler and smoother operating temps.

Metal gears form a solid framework for precise control and operation.

Strict production and quality control of plastic components.

Our servos are totally green â€” from materials to production, these servos are environmentally friendly.

Ideal for tail servo for 250/450 class heli's and park flyer airplanes.
