Description

TFL-001 6" Rudder Assembly. With new Billet Finish

This assembly comes with a T-Mount transom bracket for more strength and all stainless Steel bolts. It comes with a dual pick up tapered rudder blade.

This rudder assembly is used on all of Mono style boats. 6.29" from transom to leading edge of Rudder.

These rudders don't bend or break as you will find in other rudders. These are the best out there by far
