Description

The RTR Trophy Truggy FLUX is completely pre-built and ready to go right out of the box! Everything is assembled and tuned for you by professionals - diffs, shocks, suspension and more are perfect before you even open the package. You don't have to do a thing to get going fast! Ready-To-Run vehicles bring you the same high performance and quality that you'd expect from a high-end RC kit but with the added convenience of being factory pre-assembled to the highest standards - giving you a high-performance RC car straight from the box!
